

# ST. JOHN'S UNITED CHURCH OF CHRIST REQUEST FOR MEMBER INFORMATION

## Greetings:

The St. John's UCC Membership Committee will be creating a new church directory in the coming months. One exciting feature of the new directory is that it will be available online, giving members up-to-date information at their fingertips. (Paper copies will also be available for members who prefer that medium.)

Our current directory is 5 years old. In that time, some members have changed cell phone numbers, dropped their land lines, changed e-mail addresses, and/or moved. Before we create the new directory, we want to make sure we have the most up-to-date information. That's why we need your help!

Please take a few minutes to fill out the attached form. This step will ensure that our church membership database contains the most current information for you and your family.
